## SOUND DESIGNER

📧 [bruno@brunogoncalves.dev](mailto:bruno@brunogoncalves.dev)

🌐 [brunogoncalves.dev](https://brunogoncalves.dev)

📍 Sheffield, UK

## EXPERIENCE

### Functional QA Tester (Embedded)

#### SIE Worldwide Studios

📅 08/2019 - Ongoing 📍 Sheffield, UK

#### Unannounced Title - TBA

- Onsite Audio QA and Functional Tester at Sumo Digital.
- Executed WWS QA test processes and adhered to the standards of performance.
- Proactively tested builds on multiple platforms and performed checks within the audio and game engine.
- Ensured functionality of builds and identified areas of improvement.
- Accurately reported, followed, regressed and closed bugs or acted on accordingly in the tracking system.
- Worked closely with the QA team and supported the Leads by collaborating with the dev team, production and external contractors by attending scrums and communicating the status and progress of tests.

### Tester

#### Inkle

📅 01/2019 - 03/2019 📍 Cambridge, UK

#### Heaven's Vault - 2019 - PC / PS4 / Switch

- Creatively tested environments in unexpected ways to find bugs.
- Isolated and identified bugs and how they occurred within the game.
- Reported directly to the Creative Director and communicated with the development team.

## EDUCATION
